LONDON

Home to the headquarters of many of the world’s most important companies, London is the largest city in Europe and by far its biggest economy. A mesmerizing mix of culture, architecture, global cuisine, fashion, nightlife and business, this is a city that has everything international interns are looking for.

Cultural Events

- Afternoon tea
- A West End Theatre night
- London Eye and river cruise

“My time in London was one of the best of my life. I really enjoyed my internship and the colorful life in London. The best thing about participating in this internship is that you can meet amazing young people from all over the world doing incredible internships in London. They are all smart and talented. A small conversation can bring you endless insights and information about the other end of this planet.” - Mordecai
MADRID

Madrid is a capital of contrasts: bursting at the seams with modernity and business while still maintaining its strong historical and cultural roots. This is a city of business, culture, cuisine and nightlife. Madrileños have perfected the lifestyle of work hard and play harder. Some of the world’s best museums, finest art, award-winning restaurants, theater and live music will automatically make you fall in love with Madrid.

Cultural Events

• Toledo day trip
• Dinner and flamenco show
• Real Madrid Stadium tour

“Acquiring an internship through The Intern Group Madrid was extremely rewarding and beneficial. As a Media graduate, I was able to learn and enhance various skills within my taught discipline, as well as other areas I was interested in. As a young adolescent, the international internship taught me greatly how to adjust to a completely different, rich culture and successfully live independently.”- Arianne
BARCELONA

Barcelona is the cultural and industrial center of Spain. It’s an international hub for business, fashion, manufacturing, media, tourism, biotechnology and science. The captivating capital of Catalonia attracts visitors from all over the world thanks to its cosmopolitan vibe, creative flair and perfect location on the Mediterranean coast.

Cultural Events

- Girona, Figueres and Dali Museum day trip
- Gaudi La Pedrera night tour

“The past four months have been very captivating. It has been a life-changing experience which I will cherish for the rest of my life. I would definitely recommend participating in this because not only will it help you develop your life skills but you will also learn invaluable life lessons! The Intern Group made the journey of a lifetime so much calmer! They were excellent at providing lots of support and making sure you are ready for the internship.”

- Mammon
Coined “the Silicon Valley of Europe”, Dublin is home to technology giants such as Microsoft, Google, Amazon, Facebook and eBay, to name a few. But don’t be fooled. World-famous companies aside, Dublin still flaunts the familial atmosphere of an enormous village thanks to its famously friendly locals. From its awe-inspiring architecture, to the natural landscape, Ireland’s quaint capital will win your heart.

Cultural Events

- Guinness Storehouse tour
- Cliffs of Moher
- Irish literary night

“This program was awesome. They provide you with a great deal of guidance as well as independence at the same time. If I could do it all over again I would do it exactly the same. My advice to future participants would be to take advantage of all of the opportunities at your internship and be proactive. Attend as many meet-ups and events with the other interns and group leaders. Make the most of your time in Dublin because it does fly by.” - Mackenzie
People come from all over the world to experience New York’s magic. Walk down Park Avenue or take a stroll in Central Park to live like a true New Yorker. New York City is an international hub for fashion, finance, media, business, art and much more. Many of the most successful companies in the world have set up their headquarters in New York, confirming its strategic importance. The most impressive skyscrapers in the world will inspire you to achieve your maximum potential.

**Cultural Events**

- The Whitney Museum
- Top of the Rock
- 9/11 Tribute Center & walking tour

“I just completed a 6 month internship in New York through The Intern Group and I couldn’t be happier with my experience. From the beginning everything was very organized and the application process was easy going. The city is absolutely one of the best places to gain professional experience in. On top of the amazing time I had here, I got a full time job offer from my host company. Of course I accepted and I can’t wait to get my career started in this amazing city.” - Eyal
Home to the headquarters of multiple Fortune 500 companies and stock exchanges, Chicago confirms its importance as a global leader in commerce and finance. No matter your interests, the opportunities in The Windy City are endless. From Magnificent Mile to the beautiful beaches, the staggering skyline to Navy Pier, Chicago exudes global importance and embraces natural beauty. The city meets in the middle as a multicultural, Midwestern metropolis.

Cultural Events

- Art Institute & Field Museum
- 360 Chicago: John Hancock Building

“The Intern Group cater for everyone and that’s what makes them fantastic. It’s inclusive of age, study, country and skill level. This program is not only for students but also for those needing to gain experience in a different field or shifting their career field focus. Their support is ongoing and fantastic. They genuinely care about each intern and you really do become a family unit.” - Jen
CALIFORNIA

Surrounded by the Pacific Ocean to the west, mountains to the east and desert in the south, California is one of the most diverse states in the US. Our internships are based in Los Angeles, an international hub for IT, finance, entrepreneurship, engineering, and business. Los Angeles is also a great option for those interested in television & film, consulting, art, fashion, journalism, media, and PR & marketing. There really is something for everybody in the Golden State.

“The Intern Group Team was so lovely and welcoming. They made every effort to get to know each and every intern and make you feel comfortable in a new environment. The professional development workshops were also very valuable along with the internships. The internship has really helped me figure out what direction I want to take my career in and has given me great experience which I look forward to taking to my next applications and job.”- Raashi

Cultural Events

Los Angeles
- Hollywood Walk of Fame
- Warner Brothers Studio tour
- Griffith Observatory trip
TORONTO

Toronto is an international center for business, finance, arts and culture and is recognized as one of the most multicultural cities in the world. Canada’s largest city is influential in everything – from finance and business, technology and life sciences to art, design, fashion and much more. Home to Canada’s major broadcast networks, media outlets, art galleries and studios, Toronto has something for everyone.

Cultural Events

- CN Tower
- Toronto Harbor tour
- Ripley’s Aquarium of Canada

“I feel that the international intern experience has been an unforgettable one. I have made new friends and experienced new cultures - living in a city I have never been to away from any close relatives. This experience has challenged me personally and helped me to grow. The opportunity The Intern Group offers is fantastic and I would definitely recommend this company to others.”

- Yande
Latin America is growing rapidly, and Colombia leads the pack with its exhilarating emerging economy. As a country ripe with natural resources and with the second largest population in South America, leading investment banks such as JP Morgan have labeled Colombia “the next star of the continent.” Settled between beautiful mountains with perfect weather year round, many companies across different industries call Medellín home, making it the perfect destination for an internship abroad.

**Cultural Events**

- Walking Tour of Medellín
- Day Trip to El Peñol and Guatape

“The Intern Group did an above and beyond job from the application process until my last day abroad in guaranteeing an exceptional program. Everything was handled well and efficiently from housing, to support, transportation and safety precautions. Then having the opportunity to make connections and friendships with interns from all over the globe and the locals is more than I could’ve ever asked for. But the best part was the internship itself, the team did a great job in finding me what I wanted and, connecting me with a wonderful organization.” - Jocelyn
CHILE

Perfectly situated between the Andes Mountains and the Pacific Ocean, Chile’s capital attracts visitors from all over the world thanks to its cosmopolitan vibe, panoramic mountain views and many natural wonders. Santiago is an international hub for business, IT, finance, marketing, tourism, media, and law. For those seeking a career-launching internship, Santiago is the perfect place to gain vital professional experience and industry exposure on a global level.

Cultural Events

- Vineyard day trip (summer)
- Andes Mountains day trip (winter)

“This was hands-down one of the most memorable and relevant experiences in my life. This was not only because of the incredibly helpful and supportive communication with The Intern Group staff, prior to my departure as well as throughout my stay, but also the exciting and enriching internship I was placed in for my time there. I believe that the internship was truly a great match for me personally. My experience overall has guided both my goals and future growth.”

- Sasha
SHANGHAI

A true juxtaposition of the traditional orient and the booming Asia Pacific market, Shanghai is the ideal location for launching your career while having a cultural adventure. On the world stage, Shanghai is influential in commerce, architecture, finance, manufacturing and much more. No matter your interests, the opportunities here are endless. Let the effervescent fusion of East and West inspire you to think outside the box.

Cultural Events

• Chinese cooking class
• Guided day tour in Suzhou and Tongli

“My 6 months in Shanghai enabled me to learn a great deal and gave me some incredible exposure to a new culture and the thriving Fintech scene in China. My internship was in a very interesting field and I was given significant responsibilities. My experience would not have been the same without the amazing programme coordinators in Shanghai, who went above and beyond to ensure that myself and the other interns were always well taken care of!” - Giorgio
TOKYO

Tokyo is a global center for commerce, finance, engineering, communications and innovation. It is the cradle from which companies like Sony, Canon and Honda rose to immeasurable heights. Here you will find the best of the world’s elite: top-tier law firms, world class fashion designers, leading engineers and financial giants. Tokyo is the perfect combination of customs and innovation.

Cultural Events

- Mt. Fuji day tour
- Tokyo Tower
- Tsukiji Market tour and sushi workshop

“My only regret is I wish I stayed for longer! This was a great experience, I loved interning for my company and thoroughly enjoyed the lifestyle. The Intern Group was able to place me with an amazing company with a great work environment and colleagues. My accommodation was great and The Intern Group team here has been amazing, always organising fun things to do each day. For anyone looking to get involved with The Intern Group I highly recommend it; it has been a great experience.” - Brady
BANGKOK

If you are looking to visit Asia and launch your career with a leading internship, Bangkok is a great option. Bangkok is an international center for business, entrepreneurship, IT, finance, marketing, tourism, and NGOs. The city is saturated with colorful markets, crowded streets, mouth-watering food, and people from the world over who believe Bangkok to be one of the best places on Earth. Bangkok will leave you not only with professional experience, but also with memories that will last a lifetime.

Cultural Events

- Summer Palace day tour
- Traditional Thai food cooking class

“Honestly, TIG gave me a great opportunity to have a once in a lifetime experience where I made plenty of wonderful memories! My experience exceeded my expectations on so many levels and it could have never happened without the amazing group of interns and the awesome staff. What makes TIG different is that they make sure you are having an easy life abroad being surrounded by an atmosphere full of fun and energy allowing you to just fall in love with the city you are visiting.” - Osama
HONG KONG

Hong Kong is a magical, modern city built from the ancient civilization of China 5,000 years ago. It is one of the world’s leading commercial centers and a powerhouse in Asia: the hub connecting the continent with the world. A city that never sleeps – Hong Kong is a shimmering playground for Wall Street power-players, commercial tycoons and fashion trendsetters, making the city the perfect destination for international interns.

Cultural Events

- A tour of Lantau Island
- Macau day trip
- Dinner and a view on The Peak

“The Intern Group did an amazing job at placing me with my internship. It’s as if they really knew who I was and what would be best for me. The internship I had was truly life-changing and I owe it all to The Intern Group. Our accommodations were also great. The Intern Group gave me lifelong friends and experiences that I wouldn’t trade for the world. They treated us with respect and like adults which you don’t always find in an organized group setting. If you have the means and the opportunity to, please go to Hong Kong with The Intern Group—you won’t regret your decision.” - Amy
AUSTRALIA

Melbourne is a leader in biotechnology, publishing, finance, fashion, logistics, technology, marketing, and many other industries. Melbourne is also Australia’s events capital and it is home to a full calendar of sporting events including the Australian Open Tennis tournament and the Melbourne Cup. From the beaches nearby, to the lively city, “The World’s Most Livable City” is the perfect destination for interns abroad.

Cultural Events

- Vineyard day trip
- Wildlife experience
- Sporting event

“If you’re considering doing an internship abroad in Australia, this program is great! It was so nice having a place to stay with other interns, included transportation and included experiences for the weekends. I absolutely loved interning in Melbourne and I can’t wait to return someday. Thanks to The Intern Group, I learned so much about Australia as well as my field. This internship has given me experience that will prove to be very valuable as I advance in my career. So much fun!” - Julia
